BY PROGRAMMIZ

SUMMARY:

I am a motivated undergraduate Computer Science student with an interest in software development, problem-solving, and technology-driven initiatives. Experienced in organizing technical events, leading event operations, and collaborating with diverse teams. Eager to strengthen technical skills through academic projects, practical experience, and meaningful contributions.

EDUCATION:

AMRIT CAMPUS, Lainchaur	2024 - 2028
Tribhuvan University	
Bachelor of Science in Computer Science and Information Technology (4th sem Running)	3.63 out of 4.0
EAGER BRIDGE SECONDARY SCHOOL, SURKHET	2022 - 2024
National Examinations Board (NEB)	
+2 in Science (Physical Group)	3.59 out of 4.0

EXPERIENCE:

Executive Member, CSIT Association of Nepal	April, 2026 - Present
- Contributed to the planning, execution, and operational management of AI Bootcamp, SHE-CODES, Prabidhi Mela, and various technical workshops and online sessions. - Served as Technical Lead for SHE-CODES, a beginner-friendly coding competition with 50+ participants, managing the competition platform, technical operations, and winner selection.	

PROJECTS:

Full-stack E-commerce site
- Built a backend e-commerce application using React.js, Node.js, Express, and MongoDB. - Implemented JWT-based user authentication, product CRUD operations, and an admin dashboard for system management.
